

Vision Plan Benefits for State of Kansas

Year 2015 Benefits

Superior Vision Services offers two vision benefit options

You may select the *Basic Plan* or the *Enhanced Plan*. The *Enhanced Plan* features fully covered Anti-Scratch and UV coatings and an increased Progressive (no-line) lens retail allowance up to \$165. Superior Vision is providing an allowance up to \$116 to be applied to the provider's additional retail charge for either Polycarbonate or High Index lens materials. For example, if you select a High Index Progressive lens, both allowances can apply. These enhanced benefits are only available from In-Network providers. Vision benefits are available from the Superior Vision Services provider network consisting of ophthalmologists, optometrists, opticians & optical chain locations. You may select either eyeglasses or contact lenses in the same benefit period, but not both.
